JEWELERS FLEECED IN ALL PARTS OF THE COUNTRY FOR VALUABLE GOODS

Providence, R. I., April 27.—Manufacturing jewelers of Rhode Island and other states have been robbed of goods valued at half a million dollars through a great swindle.

Ten arrests already have been made in Alabama and Texas and one of the alleged conspirators was ready to cross into Mexico when taken into custody.

The scheme was to buy jewelry on credit throughout the country and ship it to Montgomery. After that, dummy packages were sent from the Montgomery firm to other stores controlled by it. These were then credited as real shipments of valuable goods and so listed.

The stores were then set on fire, it is alleged, and the dummy packages were listed as lost assets by the firm in bankruptcy proceedings.

SMALL COTERIE HAD MANY COMPANIES; SOLD WORTHLESS STOCK, THE CHARGE

Cheyenne, Wyo., April 27.—By filing in the United States court here yesterday of a complaint in a civil action against a number of promoters who have been negotiating stocks and bonds for 15 different corporations, whose capital stock aggregated more than \$1,000,000, there is made public what is alleged to be a great fraud by which the promoters during the last ten years

are said to have collected millions of dollars through the sale of stock. The case came up first in the arguments for permission to file an intervening petition in a receivership case. The prayer was granted yesterday and the petitions filed in court.

The case deals with the operations of promoters of valuable mining, railway, tramway, smelting, pipe line and mercantile companies of the Encampment district of Carbon county, Wyoming, being directed especially against E. W. Cobb, A. E. Norton, F. B. Draper, A. L. Hawse, I. N. Penneck and other promoters of the Penn-Wyoming Copper company and the United Smelters, Railway & Copper company, which took over the property of the Penn-Wyoming company and a large number of subsidiary companies.

It is charged in the complaint that Cobb, Norton and Draper officiated as directors and officers of all corporations involved and manipulated them for their own profit.

The case will not be argued for 30 days.

MONITION.—Notice is hereby given that there have been seized in this collection district, for violation of the customs laws, the following described articles, which will be sold in front of the custom house at 10 o'clock a. m., May 19, 1910. Anyone claiming the same is required to appear within the time prescribed by law. Alfred L. Sharpe, Collector of Customs.

Grand Haven, Mich.—"I was very sick, with dragging-down feelings, until I was ready to give up all hope," says Mrs. L. J. Ryder, of this city. "I tried all the doctors here, but could find no relief, so I used your wonderful medicine, Cardui, and have had no return of pain, or bad feelings, since."

Cardui has relieved or cured so many ladies, in a similar manner to this, during the past 50 years, that a letter like Mrs. Ryder's is no novelty; such letters reach us in every mail.

From you, however, who are weak or sick, it merits special attention and serious consideration, since it seems to prove, on certain evidence, that a cure is possible in very serious cases of womanly trouble.

If you suffer from such troubles, what imaginable reason could there be for your not at least giving Cardui a fair trial?

Cardui cannot harm you. It is likely to do you good. It has helped others, who suffered as you do.

Why should it not help you? Please try Cardui. If you need more information, ask your druggist. He knows the Cardui reputation. N. B.—Write to: Ladies' Advisory Dept., Chattanooga Medicine Co., Chattanooga, Tenn., for Special Instructions and 64-page book, "Home Treatment for Women," sent in plain wrapper, on request.
